Details on commercial zone

Dahlem - Where leisure has wings

In the immediate vicinity of the Dahlemer Binz airfield there are industrial sites that are of particular interest to aviation companies. Many industrial and commercial enterprises have already settled here because of the low-cost site combined with the convenient location and reliable qualified workforce as a basis for their location decision. Clearly structured commercial units and building sites make it possible to offer a wide range of products and services for different industries and requirements. Particularly well suited for services and crafts.
